AVIATORS FALL **BEFORE CAMP** SHELBY

Park Field Flyers Find Hat tiesburg Eleven Too Strong for Them.

BY BOB PIGUE.

Camp Shelby's football team, coached by Kid Elberfeld, came to Memphis Thankagiving afternoon, met the Park field aviators, and when darkness had settled over the field victory rested with the Camp Shelby lads. The count was 13 to 3

The Park field team outwelghed the

The Park field team outwelghed the Camp Shelby team considerably, but the ferocious attack the Hattienburg team put up proved tee souch for the head flyers, who found it almost an impossibility to stop the fleet-hoofed gridders from Mississippi. Chief among the stars of the Camp Shelby team was Capt. Bender, former Nebraska star, later coach of Tentesnee, who played quarter for the Mississippians. Others who scintillated for the visitors were Feckingsugh, left end, Williams, at center, and Weeks at right half.

The first ball found both teams hat thing heard for an opportunity to score. Shelby kicked off to Park field and punts were exchanged, both Capt. Bender, of Spielby, and Ewing, of Park field, getting good distance on their Kicks. Capt. Bender got loose and made in yards around left end. This was followed by a forward mass by shelby, but the ball was hist on downs. The aviators then started marching up the field and Ewing gained 20 yards, which was followed by a 16-yard pensity on Camp Shelby. But the som encountered a snag and the bail went over. Punts were exchanged and the period ended with the ball in midtifield. over. Punts were exchanged and t period ended with the ball in midfield.

In the second period the Park field flyers had lest their best chance to score. An aerial bombardment was uncorked, several forward passes being started and part of them heing completed. Ewing passed to Twiford for is yards, and Lowry 'gained 16 yards, which were followed by several line buckings which put the ball on Shelby's 19s-yard line. Park field elected to try is field goal and Ewing attempted to boot the hall through the uprights, but if went wide, and away with the flyers' best chance to register. The half ended with the ball in rollfield. The score at the end of the first half was 6-0.

In the second half Park field again started its aerial attack and several pretty passes were completed Disaster overtook Park field about the middle of the third period, however, when Ewing muffed a pont on the Park field five-yard line. Williams grabbed the ball and slipped over for a touchdown, the first blood of the game. Capt. Bender kielded goal. Score 7-0. The ball was on Park field's 35-yard line as the period ended.

> As this is the open sesson for pickng all-star football teams, we might as well get in the game, so here goes for our all-city selection:
>
> At left end the call goes to Walter Raney, the fleet youngster who wears the red and blue of M. U. S., and snags passes with the same reckless abandon of a drunken sellor getting flid of his joose change. While on the subject, we want to meution Harry Schorr, of the High team, who started out like a tornado and finished outlike a tornado and sality the John would undoubtedly grand Gold machine, but for all-round ability the Joh would undoubtedly grand Gold machine, but for all-round ability the Joh would undoubtedly grand Gold machine, but for all-round ability the Joh would undoubtedly grand Gold machine, but for all-round ability the John would undoubtedly grand Gold machine, but for all-round ability the John would undoubtedly grand Gold machine, but for all the Greek and Gold machine, but for all transpilled on to do the booting and other heavy work for M. U. S., and while we regard Livar as the best football prespect in Memphis for the future, Janes the better man at the present time, hence the choice.
>
> The left guard job goes to that player who has made the grentest improvement we have witnessed in some time, for from the indifferent, careless player of last year. Myers Liddon has bledgomed out into such a classy guard that no one else in the city is entitled to mention for the same position, and if the M. U. S. had a full team that for our all-city selection:

to mention for the same position, and if the M. U. S. had a full team that measured up to the standard of the three men who stopped offense through the center there is no argument as to where the city championship would have landed.

Lawrie Best Center.

The best snapperback in the city lugh Lawrie, also of M. U. S., and through the season he has been such a bulwark for the Blue and Red had that it is doubtful if anyone will ever suggest another man for center on the mythical sil-star team.

Right guard goes to Ray McGoldrick and here is another lad who has made wonderful progress in the past year for the sub fullback of last year's Northeast Start S for the sub fullback of last year's Normal crew has been converted into a linesman who bids fair to make them all set up and take notice from now on. Whether Coach Schoss, of M. U. S. is responsible for the difference or not is an unsolved problem, but the fact is that the improvement is so apparent that no one could help notice it. All right, then, we'll make it unantended in the subject of right tackies is concerned, for the high school captain is head and shoulders above everything playing at tackies.

high school captain is head and shoul-ders above everything playing at tackle in the city. Crawford, of Normal, started at tackle, and did well for a time, but suffered a broken nose, and when he got back in the game was switched to the backfield. Hight end goes to another high school lad, in the person of 'Teck' Palmer, the pink-haired lad who put Moon, Miss. on the football map, by nicking it out for a birthplace. Crump an Tschudy, of M. U.S. are good lads at the position, but hardly measure up the standard set by the high scho-

end.

At the quarterback job we pick Bernard Levy, the signal barker of the Green and Gold machine, who is without doubt the best broken field runner in the city. For all-round work he is pushed for honors by "Thir Sewell, the Jackson lad, who quarterbacks for Normal, and had he not been called to Atlanta just before Normals game with High, Levy might have had serious opposition on his bands. Sewell is a much better kicker than levy. rious opposition on his name. is a much better kicker than Levy.

Farnsworth in Class Alone.

Bethell Farnsworth, better known as Bethell Farnsworth, better known as Ginshers, Brock's manager, is included a manating when he hits an opposing player, is the logical choice for the job as left haifback, as he has a decided edge over anyone in town at that position, and "Shorty" Long voiced the local sentiment when he said: "I came out for right haif so as not to be bothered with Farnsworth."

While on the subject of Long, we might go much farther and do worse.

Commodores Pile Up 40-0 Victory Over Sewanee.

NASHVII.LE, Tenn., Nov. 29.-The annual football contest between Van-derbilt university and the University of the South, played here Thursday atternoon, was a 40 to 0 rout in favor of the Vanderbilt eleven. The Sewance ors were completely outclassed, al-

hough the team was reputed by its amporters to be the best since 1906. Unison in team work, with a battering attack interspersed with forward usines, were the factors that carried he day for Vanderbitt. The first quarter was a see-saw affear featured with a run by Berryhill for Vanderbitt. Lockland, Vanderbitt sight half, was injured in the first play and was replaced by Cuddle. The quarter ended with the ball in the hands of the Vanderbitt televen.

or ended with the ball in the hands of the Vanderbilt eleven.
Within two minutes after the opening of the second quarter. Beasley had rossed Sewanee's goal line for Vanderlit's first touchdown, and from that ioment on Beasley was a terror to the ligers. He carried the ball over Sevanee's goal twice in the second period nd once in the third.

In the first of the list half the Compoderes were only able to add one score a their total, which came from a broken leid run by "Bunt" Beasley for 30 ards.

yards.

The last quarter was a big round for the Commodores, who, with shift in their of attack, completely puzzled the Tigers. Brilliant playing by Berryhill and Baker produced two touchdowns in this counter.

WINS MEMPHIS GRID TITLE

Defeats M. U. S. in Hard-Fought Struggle at Russwood Thanksgiving Day.

BY BOB PIGUE

Central high school's crack football team again copped the city-gridiron championship Thanksgiving afternoon at Russwood park, defeating Memphis university school by the score of 21 to 7. Both teams fought hard every inch of the way, and not until the final whistle had ended the game did the M. U. S. warriors bdmit defeat.

The fighting spirit and determination to win exhibited by the victors proved a revelation and it's seldom that a prep school football machine is able to exhibit so much class. The Central squad looked better in yesterday's game than in any of the season, and played like veterans.

M. U. S. got away in front, and in the first period, the Schlossmen executed a beautiful forward pass, Gibbons to Haney, which resulted in a touchdown, Livar kicked goal. Score 7-0 for M. U. S. central again started after M. U. S. and with a 7-point lead to overcome, they fought like a bunch of wildcats, taking the ball up the field in road-roller fashion. They soon crossed the goal line of M. U. S. telng the score. Two more touchdowns and goals were added, making the final count 21 to 7. Another touchdown would have resulted had Levy remained within bounds, he having the ball and on his way to score when he ran out of bounds.

For Central, Levy, the diminutive quarterback, was the ctar, and his many long gains proved the downfail of M. U. S. Levy made the first Central touchdown shortly after the second quarter started, and in the last period the little Central quarterback raced 60 yards to a touchdown. Williamson, Central fullback, negotiated the other touchdown, after a 50-yard run. All goals were kicked. The attendance was large and many fair rooters were on hand.

We haven't seen the official National lague averages, but we know Hank Gowdy batted 1.000.
